

PIPE TOOLS & VISES
SINCE 1896

BEVEL BOSS™ CORDLESS PIPE BEVELER

Only tool in the industry that provides a quick, easy and safe way to bevel plastic pipe.

CPBDK

CPBDBT with RBIT2

- Portable unit uses battery power to bevel plastic pipe **quickly**.
- Provides a quick, easy and **safe** way to bevel plastic pipe.
- Adjustable beveler creates external bevel on 2" nom. and larger diameter plastic pipe.
- Ideal for **large diameter** plastic pipe.
- Beveler shroud **CPBIDS** (optional) rapidly bevels 2" and larger **internal** diameters.
