

PIPE TOOLS & VISES
SINCE 1896

PVC DRILLING MACHINES

Reed's drilling machine for PVC is a low cost, excellent tool for making 3/4" and 1" taps through the saddle. The **DMPVC** drilling machine drills through the PVC pipe wall with the corporation stop inserted into the service saddle while under pressure. The **DMPVC** tool consists of the base unit and corp adapters in a carrying case. It utilizes Reed PVC shell cutters which are sold separately. The **DMPVCBASE** machine consists of the base unit, allowing the customer to purchase individual corp adapters and the necessary shell cutters for either 3/4" or 1" corporation size. **DMPVC COMPLETE** ships in a plastic toolbox and includes the DMPVC base along with corp adapters and PVC shell cutters for both 3/4" and 1" drilling projects. NPT to CC thread converters, and a 7/16" socket wrench complete the set.

Catalog No.	Item Code	Size	Weight	
			lbs	kg
DMPVC	04402	3/4 -1"	8.4	3.8
DMPVCBASE	04401	3/4 -1"	3.7	1.7
DMPVC Complete	04404	3/4 -1"	11.0	5.0
DMPVC3/4 KIT	04418	3/4" drilling only	5.3	2.4
DMPVC1 KIT	04420	1" drilling only	5.3	2.4

PVC SHELL CUTTERS

Shells drill through services saddles on PVC only. For use with Reed's DMPVC and Drilling Machines. They also fit Mueller D® and PL-2 machines.

WHY REED? Specifically designed for PVC, these cutters easily bore through even the heaviest wall pipe and retain the coupon and most cuttings.

Catalog No.	Item Code	Size
PL688	04385	3/4" NPT & AWWA
PL875	04386	1" NPT & AWWA

DRILLING MACHINE

The DM1000 and DM2000 series drilling machines drill through the pipe wall via the corporation stop inserted into the service saddle while under pressure. They use Reed D series drills or hole saws. The **DMBASE** machine consists of the base unit which allow the customer to purchase separately individual corp adapters, drill or hole saw adapters, along with necessary drills or hole saws. With shell cutters and necessary adapters, these units can also be used on C-900 PVC pipe. In addition to the base unit, Reed offers 9 other kits with a variety of corps adapters, drills, and/or hole saws included.

DMPVC

WHY REED?
Machines are made in USA.
